LIFEBOOK E8110 / E8210
Your expert without compromises

Issue April 2007

Pages 5

The LIFEBOOK E Series follows a simple philosophy: only the best will do. It is the perfect choice for the performance orientated office user: get latest technology to turn any work into a pleasant experience. The result is mobile performance powerful as desktops.

Its flexible design allows configuring the system exactly the way you like it. Top notch performance with only 2.3 kg makes this notebook one of the lightest in its class. The comprehensive security features, separate SmartCard reader, TPM and Fingerprint modules make your sensible data safe and secure – anytime, anywhere.

It has more connections than ever - from serial, parallel to SD/MMC card slot. There's embedded UMTS, WLAN and Bluetooth too! Take advantage of the growing network of wireless working and catch up emails where ever you are.

The new powerful Intel® Centrino® Duo Mobile Technology delivers high performance and long working away from the power socket.

Elegance

Designed for the most demanding mobile users, LIFEBOOKs are the perfect synthesis of form, function and style.

- Modular bay fitting an extra drive or battery for more flexibility
- Dual pointing devices with second set of mouse buttons: Touchpad and touchstick for ergonomic working

Ergonomics

- Enjoy the viewing quality of brilliant TFT displays and graphics:
  LIFEBOOK E8110: 15-inch XGA or 15-inch SXGA+ TFT display
  LIFEBOOK E8210: 15.4-inch WSXGA+ (16:10 format) and Intel's shared memory graphics or
  15.4-inch WSXGA+ TFT display and powerful ATI Mobility™ Radeon® X1400 graphics
- Dual pointing devices with second set of mouse buttons for ease of use
- Comfort with full sized keyboard
- New Port Replicator optionally available for simple connection to all your peripherals

Connectivity

- Bluetooth, Wireless LAN optional integrated
- Highest connectivity with embedded UMTS
- New Port Replicator optionally available for simple connection to all your peripherals
- Long lasting battery for independent working with first and second battery

Reliability

- Highest quality design with magnesium lid
- Hard disk drive ShockSensor minimizes data loss and guarantees a higher reliability of your data
- Spill-proof keyboard offers protection against system damage

Manageability

- Integrate the bundled system management software DeskView Admin in every common IT infrastructure
- nSeamless integration in heterogeneous enterprise management systems
- nGet optional add on packages: With DeskView Migrate and DeskView Control for e.g. migration projects and extensive client lifecycle management tasks.

Security

- Trusted platform module (TPM 1.2) provides more secure applications and makes transitions safe
- Maximum of security for the own data with integrated fingerprint[1] sensor and SmartCase™ Logon+ security software
- Software for complete virus protection

Windows Vista Business
